

FISCAL NOTE

SB 2627 - HB 2676

February 14, 2004

SUMMARY OF BILL: Authorizes cities, counties and counties having a metropolitan form of government to enact ordinances banning smoking in public buildings and restaurants within their jurisdiction. Requires that the ordinance allow establishments to provide outdoor areas where smoking is permitted. Specifies that this provision does not apply to establishments where 40% or less of the annual revenue is derived from food sales.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures - Not Significant / Permissive
Increase Local Govt. Revenues - Not Significant / Permissive

Estimate assumes:

- any increase in expenditures related to enforcement of such an ordinance would be not significant.
- local governments choosing to enact such an ordinance will experience an increase in revenues from fines levied and collected for violations. The maximum fine for an offense would be \$50. The impact depends on the number of local governments enacting the ordinance but is estimated to be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
